Welcome to
Tyendinaga Township
Playgroup
A Family Space
Outreach Program

We are an outreach program of Family Space, Belleville. Our partnership with the library has provided us with this space.

OEYC staff from Family Space are here to facilitate the group. We really appreciate any help you may offer.

Lending a hand with snack, crafts and cleanup are necessary ways to help.

Clean up includes the removal of all toys and equipment from the room.

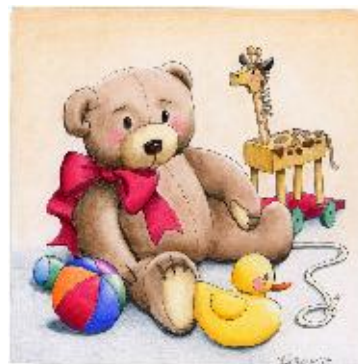

The playgroup has a designated storage space where children and adults carry equipment. Please no soiled diapers are to be put in the garbage.

Snack preparation and clean up including dishes are done by parents and caregivers.

Your contribution to nutritious snacks helps keep our costs down and gives the children a variety of snack items to share.

Please let us know in advance if your child has any food allergies.

Circle is an excellent time to participate with your child and learn songs and stories to encourage literacy.

Playgroup is not only an opportunity to interact with your child during play, but to also meet other parents and share ideas.

On occasion we have “Special Visitor” days with focus on parenting related topics.

Your participation is welcomed. Parents and caregivers are to remain on site with their children at all times.
