

Reading is in the bag

CEOs of six Hastings County public libraries have come together to provide their clients with environmentally-friendly library book bags including Deseronto and Tyendinaga public libraries. The initiative, was spearheaded by Kim McMunn of the Bancroft Public Library. Together, the libraries, Bancroft and Hastings Highlands in the north and Tweed, Kanhiote Tyendinaga Territory, Tyendinaga Township and Deseronto in the south will offer the unique library bags for a donation of \$2 to cover costs. This is the first of many planned cooperative efforts. For more information, please call Kim McMunn 613-332-3380.
